

The STREAM Program

Science Technology Reading Engineering Agriculture and Math

For Ages 15-19

Summer Schedule:

July 23 - August 31

Monday - Friday

9:00am-3:00pm

Fall Schedule:

September 1 - December 31

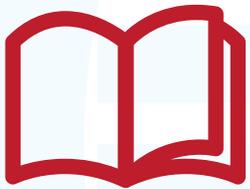

Wednesdays & Saturdays Only

Wednesdays

Saturdays

4:00pm-6:00pm

10:00am-12:00pm

STREAM is designed to teach youth social action skills through technology that better inform them about their environment, and their capacity to respond while providing a platform for an informal engagement strategy.

Our goal is to increase the green IQ of the entire family while teaching them a responsible approach to mitigating risk factors in their environment.
