

SAVE ENERGY SAVE MONEY

This spring **500** Households in **Uptown** and **Oakland** will receive *free energy-saving tools and tips* through participation in a one-year **energy saving** challenge

Participate in the *Energy Efficiency Challenge*

Sign up to receive 12 **free** DIY energy efficiency tools for participation in a 12-month energy efficiency challenge. You will get information and guidance from your own neighbors on ways to lower your energy bills.

Apply for Home *Weatherization Plus Services*

30 single-family, owner-occupied homes will be selected to receive an initial energy audit, weatherization services (like air sealing and insulation), and any repairs determined necessary by the audit team.

Get Involved: *Be an Energy Coach*

Energy Coaches will attend free training and planning sessions to help roll out the program to these neighborhoods, organize distribution of tips and tools, and gather feedback from participants.

...But we can't do it without you!
