

The average Oakland resident must travel
1.2 miles

To purchase groceries. Any land outside of a half
mile radius of a reliable food source qualifies as a
Food Desert.

In terms of per capita Food Insecurity
14.2%

of Allegheny County Residents don't know where
their next meal is coming from. This includes
42,170 Children

It's time to shift the paradigm.
Time to Green the Desert.
Time for food that's
Fresh
Affordable
Responsible

For Pitt students, staff, and our Oakland neighbors.
